Some useful guidelines and hints for Junior Floral Art:

1. Tooth picks, pins, kebab sticks or other material can be used to stabilize the animal entries.
2. Accessories such as stones, shells or other items should be kept to a minimum as clutter may overshadow the theme of your entry.
3. Where possible, try to choose flowers or foliage that will last for the duration of the show.

PRIZES

First Prize only awarded in Sections 1 to 7, Section Prize awarded in Sections 1 to 7. First, second and Third Prizes are awarded in all Junior Floral Art Classes except Class 3. HINTS AND TIPS

- **Ensure that your pots are clean**
- **The plant should be in the centre of the pot**
- **Trim or remove any dead/faded leaves**
- **Plants in hanging baskets should have even coverage and if in flower there should be more open flowers than buds**
- **Cut flowers should be free from any blemishes or marks**
- **In produce classes (Section 6) part stem/stalk must be in evidence and when entering a class that requires three of the same variety exhibit specimens of the same size.**
