

Sponsorship Opportunities Brookfield Show Society 2025

About Brookfield Show Society

Brookfield Show Society is a not-for-profit community group that oversees a number of annual events at Brookfield Showgrounds*.

Whilst we are best known for Brookfield Show (May 23 - 25 2025), other calendar dates including Long Lunch, Bush Christmas, ANZAC Day and of course the weekly Friday Bar nights. Our end of school term celebrations are also popular with families, as too the newly begun Halloween Night. We also support Brookfield District Museum.

In 1879, Brookfield Pullenvale and Moggill Farmers' Association, the predecessor to Brookfield Show Society, was founded. The "Show Society" was organised in 1905 with the intention of publicising the local district and produce. Brookfield Show, first held in 1910, has remained popular in South East Queensland and attracts over 18,000 attendees across the three days.

In recent times, the purpose of the Society has shifted from promoting local produce to now being a 'central hub' for locals to come together and celebrate. Offering a physical space for people enables a real sense of neighbourhood and sense of belonging.

Volunteers are our backbone, with a management committee overseeing activities. The level of commitment demonstrated by each person is a testament to the region's thriving community spirit.

And it's not just individuals who give, but also local businesses who generously support us year in and year out. We can only thrive and give back to the community because of the collaboration we have with big, small, local and national brands. Hosting the annual Brookfield Show costs \$300K so you can be reassured your finances go directly towards overheads such as entertainment, security, insurance and equipment.

This partnership deck outlines the opportunities your business can partake in and together we can enhance and strengthen the community. For a small investment you can build your brand with us!

*The Brookfield Recreation Reserve Trust oversees the Showgrounds, including the activities by our Society.

Show Specific Opportunities 2025

\$2,000 per sponsorship Excl. GST.

Show : Children's Stage

Be the solo sponsor of this ultra fun and upbeat entertainment hub! There will almost always be a show on throughout the three day period, drawing in hundreds of children and their parents/carers. Situated on the top level, near the rides, it is a premium position to reach families with your message via 2 corflutes / banners attached to the stage. Also, receive recognition via our social media.

Show : Music Stage

Be the solo sponsor of the night-time live music stage! Friday and Saturday night we will have a huge line-up of musicians to keep the adults bopping and grooving. This stage is usually positioned behind the main stage and offers your business a targeted environment to reach adults in a 'good time' mood, via 2 corflutes / banners attached to the stage. Also, receive recognition via our social media.

Show : Long Yard

Be the solo sponsor of the 'mega sandpit!' There are scheduled events in this area throughout the three day period, such as the working dogs during the day and night entertainment such as the rodeo and more. It is the number one place that patrons sit down to have a bite to eat and soak up the atmosphere allowing your message to stand out via 2 corflutes / banners attached to the back fence, facing the terraces. Also, receive recognition via our social media.

Show : Fireworks

Be the solo sponsor of the firework spectacular across Saturday and Sunday nights. Everyone finishes the day off with a 'bang' on both nights and is a moment where the entire Showgrounds have their ears to the MC and eyes on the sky. This means your message, delivered via the MC, is well-received. Also, receive placement of your corflute at the Show and recognition via our social media.

Show : Competitions

Each Show competition seeks sponsorship to support the running costs of hosting their event. Stewards gladly welcome your interest. Please reach out to be placed in touch.

Additional Opportunities 2024

Funds raised from events are used for infrastructure improvements, maintenance and preservation of the historic Brookfield Showgrounds, as well as contributing towards the running costs of future events.

Long Lunch

For ten years now this annual event is the Society's major fundraiser. It is a chance for friends to gather and enjoy a long lunch in the August sun, with plenty of umbrellas around and a beautifully decorated table. Live music and raffles form part of the day where up to 2,000 people attend. Many locals eagerly look forward to this event as their own key social event of the year! *Limited sponsorship opportunities are available. Enquire for more details.*

Bar Events : End of term & Halloween

Brookfield Bar is now known as the key venue to celebrate the end of school term amongst local families. Estimation of attendance is between 500 - 1,000 and presents an ideal environment to reach families in the community. End of term 1 is usually a movie night on the oval, whilst term 2 and 3 is entertainment such as a fire breather / circus performer. Halloween has now become a popular event, complete with entertainment and markets. Place your 2 corflutes / banner around the Bar area for the evening. Also, receive recognition via our social media and opportunity to place flyers at the Bar.

\$750
Per Event

Reaching your audience

Estimation of audience potentially achieved with Brookfield Show Society, as of November 2024.

Owned media assets

60,000 unique visitors per calendar year across brookfieldshow.com.au and brookfieldshowgrounds.com.au

2,000 subscribers. Approximately 18 e-newsletters (eDM) sent out each calendar year.

6,000 followers. We often promote our posts across 10 local Facebook groups with a total of 164,000 followers. Plus, people / businesses 'share' our posts further extending our message.

1,950 followers

Our social media presence is consistent, relevant and engaged with. This ensures maximum cut-through to our audience, with Meta pushing our content more often to followers.

Public relations and paid media are vital tools in our communication strategy.

Public Relations

1 million+ audience. Across school newsletters & socials, local media, local business, politician's newsletters & socials, placement of flyers, posters and banners, Brisbane City Council's "Living in Brisbane" hard copy newsletter distributed to 500K households in council catchment.

Paid Media

1 million+ audience. A frugal, yet cost efficient media budget for the Show allows for a comprehensive marketing schedule across Brisbane Kids, Must Do Brisbane, The Local Bulletin, Facebook Boosts, video creation, photography, creation of flyers, posters and banners.

Why collaborate with us?

Connect with the community

Our well established roots in the Brookfield and district community has ensured our Society is both well known and highly regarded. Our Society began in 1910 and spearheaded the promotion of the area's agricultural riches in the district via the first Show and the many that have since followed. Events and activities have evolved over time where we now offer four major community events each year, including the Brookfield Show with an average attendance of over 18,000. Regular Friday Bar nights ensure a weekly connection point for locals.

Align your business with our grass-roots activity to initiate, build and maintain a brand image of community connection and engagement. The benefit of this is improved loyalty: When customers feel connected to brands, more than half (57%) will increase their spending with that brand and 76% will buy from them over a competitor.[^]

Boost brand trust & loyalty

Brand trust is paramount for any business to succeed - consumers will buy more often from a business they trust (88%), but fewer than half (47%) automatically trust businesses.* Trust is important as it translates through to a positive customer journey with your brand.

Trust takes time to earn and for our Society, this follows decades of being a not for profit organisation dedicated to ensuring members, visitors and the broader community have a truly unique place to meet. Tap into the love that locals have for the Society and enjoy the benefits of 'trust transfer'. The Society partners with strong, credible and ethical brands that share our common values.

Reach your audience

We reach 2,000 members each month in our e-newsletter and 8,000 followers on our social media handles (up from 7,000 in 2023 and 5,000 in 2022). Many of our communications are also widely shared by community groups, media, schools, local businesses, politicians and Facebook groups which further extends our message.

It's not just the numbers though, it's the quality of our audience. The demographic in Brookfield and surrounds (Brookfield - Kenmore - Moggill) is one where you can reach people who typically are high net worth. The average individual income is \$89,057, 22% higher than that of the Brisbane average \$72,788~. Locals are seeking new experiences, premium services and quality products to enhance their life.

Your brand can leverage off the community we have fostered, delivering you access to potential customers and the ability to nurture current customer relationships.
